AFRICA'S AGRI-FOOD SYSTEMS TRANSFORMATION GOALS

Aspiration 1

A prosperous Africa based on inclusive growth and sustainable development

Healthy and well-nourished citizens

Modern Agriculture for increased productivity and production

Environmentally sustainable and climate resilient economies & communities

UN Sustainable Development Goal #2

END HUNGER, ACHIEVE FOOD SECURITY AND IMPROVED NUTRITION AND PROMOTE SUSTAINABLE AGRICULTURE

The Africa Common Position on Food Systems Transformation

UNITED NATIONS
FOOD SYSTEMS
SUMMIT 2021

THE SEVEN CAADP MALABO COMMITMENTS

01

Recommitment to the Principles and Values of the CAADP Process

- Pursue agriculture-led growth strategy to achieve targets on food and nutrition security
- Boost growth through regional cooperation and implementation of CAADP
- Apply evidence-based planning, policy formulation, dialogue, review and accountability
- Use of partnerships and alliances including farmers, agribusiness, and civil society

02

Enhancing Investment Finance in Agriculture

- Uphold the target of **10 percent of annual public spending to agriculture**
- Create and enhance policy and institutional systems for private investment in agriculture, agri-business and agro-industries (priority to local investors)
- Operationalization of Africa Investment Bank

Kampala CAADP Roadmap Activity Areas – 2026-2035

1. Strengthen Leadership, Governance and Coordination, at all levels

2. Align Policy & Planning Frameworks

3. Strengthen and Organize Technical Capacity

4. Drive Resource Mobilization and Partnerships to Support Implementation

5. Strengthen Mutual Accountability, KM, Communication and Advocacy

Activity Area 4

Driving Resource Mobilization and Partnerships to Support Implementation

Key Activities

- Develop **resource mobilization strategy** –business plan, partner mapping, funding strategy;
- Engage **Ministers & National Treasuries** to advocate for increased financing
- Identify and strengthen **South-South Cooperation**.
- Review, update and domesticate the **CAP-F framework** for private sector engagement

Key Activities

- Mobilize public & private funding through continental and national **business roundtables, deal rooms** etc.
- Identify thematic areas and **strategic investments for PPPs**
- Develop **position paper** to support fundraising and resource mobilization.
- Develop **capacity of member states** to mobilize resources for implementation.

Creating WIN-WIN solution for nutrition investments in Africa

The specific objective is to contribute to mobilizing the capabilities and resources of public –private sector for accelerating the implementation of Malabo/CAADP Framework and the SDGs for food and nutrition security outcomes .

The guideline is leveraging on the existing FAO Private Sector Strategy, CAADP Regional and national partnerships processes, the agri-food systems - innovative tools, the informal sector and for building the Africa We Want.

Guidelines for Engaging the Private Sector for "Win Win Outcomes" in Nutrition in Africa

THANK YOU
